

**BIH EXCELLENCE AWARD**  
for Sex and Gender Aspects  
in Health Research

20,000 Euro  
for future  
research activities  
in the field

BIH is looking for  
experts in the field of  
translational research with  
a focus on sex  
and gender aspects!  
Apply until October 15,  
2017

The BIH Excellence Award for Sex and Gender Aspects in Health Research aims to bring more visibility to sex and gender issues in translational research. It recognizes research excellence among renowned scientists working in the field of basic and/or clinical biomedical research with a substantive focus on sex and gender aspects. In addition BIH wants to bring the laureates' expertise to Berlin and may nominate you for a research fellowship in Berlin.

Further information and how to apply online:  
[www.bihealth.org/en/award](http://www.bihealth.org/en/award)

The Berlin Institute of Health (BIH) is a biomedical research institution focusing on translational research and precision medicine. BIH is dedicated to improving the prediction in progressive diseases and developing advanced therapies for unmet medical needs in order to improve patients' health and quality of life.
