UNIVERSITY OF SASSARI

Invitation

Dear Colleagues and Friends of Gender Medicine,

We are honoured to invite you - physicians, pharmacists, nurses, PhDs, MD, PhD students, pharmaceutical and health care professionals, researchers, as well as friends of Gender Medicine - to our international "Eleonora d'Alborea" Summer School.

Seven European Universities of six European Countries (Austria, Germany, Hungary, Italy, the Netherlands and Sweden) are associated to create a European curriculum in Gender Medicine (EUGIM) as a part of the EUGIM project. The activities are supported by the International Society of Gender Medicine (IGM).

The attendance of well-known international researchers will confer a special value to the Second Summer School. We look forward to welcoming you and we are confident that Sardinia will be able to welcome all event guests with its usual fascinating atmosphere.

See you in Sassari in September!

Flavia Franconi
Summer School Organizer

Vera Regitz-Zagrosek
EUGIM Coordinator
Past President IGM
